However, due to operational reasons it may, on occasion, be necessary to alter certain itineraries. Railtours Ireland cannot be held liable in the event of an attraction being closed. Student discounts can only be given if requested at time of booking. No discounts can be given retrospectively. RITFC cannot be held responsible for customers not having the correct visa documentation to enter Ireland or Northern Ireland. RITFC reserves the right to cancel or alter tours if industrial or other action affects any of the components which make up our tour or if there is insufficient demand.

DOCUMENTATION: We provide electronic documents free of charge for all bookings. UNUSED TOUR ARRANGEMENTS: RITFC cannot make refunds or exchanges for unused accommodations, services or features of any tour unless agreed upon prior to departure. ARAN ISLANDS SPECIAL CONDITIONS: For any tours that include a trip to the Aran Islands the following condition applies: Should weather conditions be such as to curtail flights you will be taken on an alternative tour to Connemara and refunded the difference. No further refund available should you decide not to go to Connemara for any reason.

CLAIMS OR DISPUTES: RITFC takes complaints very seriously and we ask if you are not satisfied with any aspect of our service that you submit your complaint in writing no later than 28 days after the end of your tour. All refunds are subject to a 10% administration charge. We reserve the right to refuse admission to any tour and to terminate a tour if circumstances demand.

Luggage Allowance: There is no limit to the amount of luggage and there are luggage facilities on board trains & coaches and we try to keep luggage transfers between trains and coaches to a minimum. However it is strongly recommended that large excess amounts of luggage be stored, perhaps, at your Dublin hotel for the duration of your railtour.

Wheelchair friendly: As long as the individual has some mobility then our tours would be suitable. The trains are wheelchair friendly in Ireland however the buses/coaches are not. "Emerald Island Express was a great trip!"

We traveled on a heritage train with Railtours Ireland last week. The wonderful tour guides, Norman Foster and Jonathon Beaumont were excellent! The accommodations were luxurious and they took care of every detail. We traveled the depth and breadth of the beautiful Irish countryside to see the highlights. The train has been lovingly restored and is a flash of travel in the past by train. Volunteers from the Rail Preservation Society of Ireland make the trip so special. Our coach driver, Tom McDonald was also amazing negotiating tough places and narrow roads. The schedule is full and you really get a feel for Irish history and culture. Wonderful week with great people!
